

KEEPING Things GOING

Title: Keeping Things Going
Author: Kane Miller

[CLICK HERE](#)

Theme: Community helpers keep things going.

Overview: This book is told from a child's perspective.

Each child goes through and tells what their mommy and daddy do for work. They describe the profession in their own terms and share how they help our community. Plus, this book rhymes and it so fun to read.

The illustrations and kid friendly language make it so easy for children to understand jobs such as a teacher, lifeguard, or firefighter. This would be perfect to compliment your unit on community helpers or families!

This free printable activity is intended to help children process the information they read in the book. They can take notes, expand their ideas and reflect on what they have learned. This activity extends learning by encouraging writing and drawing.
