

FIRST Illustrated THESAURUS

Title: First Illustrated Thesaurus
Publisher: Usborne

[CLICK HERE](#)

Overview: This is the perfect first thesaurus for children! We love learning about synonyms and expanding our vocabulary.

Beautiful illustrations accompany kid friendly definitions. This is excellent practice for using a thesaurus, learning new vocabulary words and practicing alphabetical order (usually started in first grade.)

This free printable activity is intended to help children practice their handwriting, learn new vocabulary words, and promote independence with writing.
