

The FOUR SEASONS

Title: The Four Seasons
Author: Fiona Watt

Theme: The weather, landscape and animals change each season, and each season has its own beauty.

[CLICK HERE](#)

Overview: This beautiful book has thick, board pages and adorable Vivaldi music on each page. It is perfect for toddlers through elementary aged children.

Each page focuses on one season. The author uses descriptive language, beautiful illustrations and specific songs to make each season come alive.

Toddlers are enthralled with this book, and for older children this is the perfect book to teach adjectives, writing with imagery, science and so much more.

This free printable activity is intended to help children process the information they read in the book. They can take notes, expand their ideas and reflect on what they have learned. This activity extends learning by encouraging writing and drawing.
